- To provide platform for researchers to showcase their findings.
- To support the academic community.
- To facilitate global exchange of knowledge.

### Scope of the Journal

- The scope of *Senhri Journal of Multidisciplinary Studies (SJMS)* expands over all subjects as it is a multidisciplinary journal. It is open to accept original research works, views and reviews from faculty and researchers of various academic disciplines.
- It tends to promote the generation of knowledge for the advancement of mankind through quality research works in various disciplines and facilitate the exchange of knowledge among researchers and academicians all over the world.
- It encourages cross-discipline and cross-border research endeavors by faculty and researchers from across the globe.

### Journal Indexing

It is **Crossref Indexed** and providing **DOI** for every published article.

---

## Plagiarism Check & Peer Review

The articles have to pass through Plagiarism check (using Turnitin/Urkund tool) and a double blind-peer review (through eminent reviewers).

## Open Access

It is also an Open Access (license by Creative Commons) journal that aimed to benefit the larger academic community through the resources provided in the journal.

## Manuscript Categories

Manuscript covers the following types:

- **Research Article**
- **Data**
- **Book Reviews**
- **Commentaries**
- **Letters/Correspondence**
- **Review Articles**
- **Technical Notes**
- **Case Study**

## Manuscript Preparation

Authors are requested to submit their manuscript in Microsoft Word format. The word limit for research articles and book review would be 5000 words and 1500 words respectively. Sample template can be used for the preparation of manuscript which can be downloaded from: <https://senhrijournal.ac.in>.

### Microsoft Word:

1. **Title:** Title should be informative and short in nature
2. **Authors Name and Affiliation:** Author(s) must provide their full name, affiliation, contact information and email address. The corresponding author should provide his/her complete mailing address including telephone numbers. All the correspondence would be made to the corresponding authors only, however intimation regarding the submission will be provided to all the co-authors. As per the guidelines of Crossref Organization (<https://www.crossref.org>) author(s) have to provide their ORCID ID (<https://orcid.org>).
3. **Abstract:** It should be a few lines of important highlights about the research work including purpose of the study, results & interpretation and have to write in a single paragraph with a maximum of 300 words.

4. **Keywords:** Provide 4-8 keywords related to the research work.
5. **Introduction:** Author(s) have to provide a brief information about the research work, aims & objectives, importance and the background of the topic.
6. **Materials & Methods:** Need to describe about the data, information and the techniques/way of approach of the study.
7. **Results & Discussion:** Give detail explanation about the results, findings, interpretations that associated with the study. Each and every component need to describe properly in order to meet the aims and objectives of the study.
8. **Conclusion:** All the outcomes have to summarize accordingly with the help of paragraph(s) or point(s).
9. **Acknowledgement:** It is important to acknowledge the name of the funding agencies along with the reference number(s). Any person or organization could be acknowledged if it is associated with the research work.
10. **Reference:** Generally, researchers prepare the references manually. Sometimes it leads to missed out information about the cited articles. Hence, it is recommended to use some advanced reference management software/tool like ZOTERO, MENDELEY etc. through online. It will minimize the unnecessary citation errors and be effective to meet the Journal's guidelines.

***Senhri Journal of Multidisciplinary Studies is using the American Psychological Association (APA 6<sup>th</sup> Edition) Reference Style, for e.g.:***

- **For Articles:** Pachuau, J. L. (2004). The Spiritual Concerns of a Mercantilist Empire: Church-State Relations in Sixteenth-and Seventeenth-century Portuguese India. *Studies in History*, 20(1), 31-58.
- **For Book:** Pachuau, J. L., & Van Schendel, W. (2015). *The Camera as Witness*. Cambridge University Press.

***A detail guideline for the APA format of reference, authors are requested to visit Mendeley: <https://www.mendeley.com/guides/apa-citation-guide>***

11. **Highlights of the research work:** Author may write a few important points about their research work with maximum 5 lines with bullets.

## Journal Ethics

This journal encourages the original works by the researchers and academicians. The authors are requested to submit the manuscript for their own research work. Authors are requested to submit the manuscript with proper citation(s). If the manuscript is plagiarism free (maximum ~10% permissible through Turnitin/Urkund), the articles need to send for the review process. The editorial board reserved the right to accept or reject the manuscript for publication after checking plagiarism and the report of the reviewers about the quality of the manuscript.

---

Authors are requested to provide atleast two names of the reviewer in their corresponding fields; but the editorial board may or may not consider the suggested reviewers. The journal conducts double-blind peer review by the renowned academician/scientist/researcher from any recognized institution/organization.

### **Submission of Manuscript**

Author(s) are requested to submit their manuscript either **ONLINE** (<https://senhrijournal.ac.in>) or by sending as an **Attachment through E-mail** ([senhri@pucollege.edu.in](mailto:senhri@pucollege.edu.in)) in the prescribed format. In case of submission through E-mail, author(s) need to mention the subject of mail as "**Submission of Manuscript**".
